Greetings...

Hi, my name is Christy Crane Schmitt and I am looking for Virginia TSA Alumni. You may remember me, as I was Virginia TSA State President in 1998 and your first TEAA President. I participated in TSA for six years and in TEAA for six years. While in TSA, I held several offices on the Regional and State Level.

I currently work at B&W in Lynchburg, VA, as an X-ray Technician. I am married and have one daughter, Taylor, who is now 11 (for those that remember the cute little baby). Taylor and I have five horses and are into showing our horses every chance we get.

When I was in TSA my favorite activity was competing in competitive events. I loved competing in events like Prepared Presentation, but my absolute favorite was competing for an office on the Regional and State level. I've made several friends, but my best friend would have to be... well... I had numerous: Mr. Willcox, Mr. Magnone, Chris Husser, Mr. Worley, Tim Baine, Kim Paige, Mr. Ridgeway, Phil Nelson, Doug O'Reagan, and o'yeah, my mom, Mrs. Brenda Crane!

I hope everyone is well and I hope to get together and see everyone soon.

With Love,

Christy Schmitt
