

VIRGINIA TSA

COMMENDATION AWARD

(All applications must be postmarked by the Technosphere Registration Deadline)

School divisions that affiliate all secondary school technology education programs with the Technology Student Association are eligible to apply for the Commendation Award. The Commendation Award provides recognition to those school divisions that actively support the establishment and maintaining of TSA chapters.

School Division Name: _____

Mailing Address: _____

CTE Director: _____

Technology Supervisor: _____

Telephone Number: _____ - _____ - _____

Number of High Schools in Division: _____

Number of Middle Schools in Division: _____

This is to verify that all schools in the _____ school division have organized and affiliated with the Technology Student Association for the current school year. This represents all of the middle and school schools within the division. A list of the schools and chapter advisors names are attached for your review. A school division representative will attend the Technosphere awards program to receive the school division award.
